2010**

RECOGNISING EXCELLENCE IN THE FAMILY BUSINESS

The Family Business Place are delighted to launch the first ever Red Ribbon Awards for family business contributions. Family-run firms represent over 65% of the UK's private sector and as such deserve to be recognised for the significant contribution that they make, both to our economy and to our society.

Raise the profile and prestige of a family business close to you by nominating them for a Red Ribbon Award. Not only will it generate incredible publicity for the business but it will also affirm their place as an ambassador of the family business community.

Winners will be presented with their award at the Red Ribbon Awards ceremony after Family Ties annual family business conference, 4 November, London.
